DISCOVER THE POWER OF YOUR APWA PORTAL!

Your portal is more than just a login—it's your personal gateway to managing your membership. From updating your profile to accessing resources, the portal keeps everything within easy reach. Here is a quick overview of key features.

MEMBER FEATURES

These functions are available to all members and are specific to their membership record.

My Info: Locate your APWA ID, update your contact info, select contact preferences, and more.

Company Info: Identifies the primary contact for a group subscription and company contact information.

Orders: Make payments and view payment history for your Individual Account.

My Certifications: Review and manage any certifications and corresponding documents.

CEUs: Add, review, and track your CEUs.

eLearning: Enter our online learning portal, where you can explore educational resources.

GROUP MANAGER FEATURES

These functions are available only to the group manager listed in the Company Info tab.

Manage Group Subscription: View membership roster and locate company ID.

Company Orders: Make payments and view payment history for your Group Account.
