Recertification Application

Recertification Application Process

Participation in the recertification program is open to anyone meeting the recertification requirements. Membership in APWA is not required.

The APWA Certification Council reserves the right to ask applicants to furnish such information and/or make such inquiries as may be deemed appropriate to identify the nature and extent of the applicant's education, experience, competency, or moral character.

The contact information provided on the application will be used for all correspondence related to certification. Candidates are responsible for informing APWA in writing of any changes to their contact information.

Recertification Requirements

After successful completion of the exam, candidates become certified for a period of five years. Prior to the end of the five-year period, CPWP-M's must submit a recertification application documenting compliance with the following requirements:

- Completion of a minimum of 5.0 continuing education units (50 hours of instruction) or successful completion of the examination for recertification.
- Continued agreement in writing to adhere to the APWA Standards of Professional Conduct and affirming no history of felony convictions related to the practice of public infrastructure inspection.
- Payment of the current recertification application fee.

Failure to Meet Recertification Requirements

Individuals who do not meet recertification requirements by established deadlines will lose certified status. An individual whose certification has been revoked due to failing to meet recertification requirements must reapply as a new applicant, pay all associated fees, and fulfill all current certification requirements.

Recertification Filing Extension

Certificants may apply to the Certification Council for a filing extension of the renewal application under the following conditions:

1. Individual has been appointed or elected to full-time public office on the local, state, or national level or serving in military.
2. Individual has been impacted by extreme circumstances such as serious illness or injury of either the candidate or an immediate family member; death in the immediate family; terrorist acts; a natural disaster; or other unforeseen emergencies beyond control of the individual as determined by the Certification Council.

The request for the filing extension must be submitted in writing to the Certification Council 6 months prior to the renewal date. Extensions are not granted for more than 2 years, subject to the review of the Council.
