

KICKSTART STUDENT MEMBERSHIP

ACCESS

technical resources and learning opportunities that cover the full range of public works opportunities, without the cost of chapter dues.

CONNECT

with a vibrant community of public works professionals—mentors, future teammates, colleagues, and friends through a variety of member and chapter benefits.

DEVELOP

your potential and help pave the way for your new career with countless education and scholarship opportunities.

APWA is your go-to public works hub, bringing together infrastructure professionals with top-tier education, advocacy, and resources any time, anywhere, all to help build stronger communities and elevate quality of life for everyone.

Who Can Join?

Student membership is open to anyone enrolled in at least nine credit hours at an accredited college, university, junior college, or community college. If you're studying engineering, public administration, planning, construction, or any other public works-related field, you're eligible to join!
